### **TARRYTOWN MUNICIPAL HOUSING AUTHORITY AGENCY PLAN -EXECUTIVE SUMMARY-**

The Tarrytown Municipal Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act and the ensuing HUD requirements.

As indicated, the Authority, has adopted the following mission of HUD: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The plans, statements, and policies set forth and/or referenced in this Agency Plan all lead toward the accomplishment of the Authority's goals and objectives as outlined under Section B of the 5 Year Plan. The highlights of the major initiatives of the Authority's Agency Plan are as follows:

- 1.) The Authority seeks to employ effective maintenance and management policies to minimize the number of public housing units off-line.
- 2.) The Authority seeks to renovate/modernize public housing sites.
- 3.) The Authority seeks to maintain its vacancy rate at 0% via effective management procedures.
- 4.) The Authority seeks to provide or attract supportive services to increase independence for families with children, elderly families, and families with disabilities.
- 5.) The Authority seeks to improve its PHAS (Public Housing Assessment Score) of 91 (High Performer) via effective management procedures.

## Attachment B

### **DECONCENTRATION POLICY**

It is the Tarrytown Municipal Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Tarrytown Municipal Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the applicable waiting list(s). Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to be implemented.

### **MEMBERSHIP & COMMENTS OF RESIDENT ADVISORY BOARD**

#### **Members of the Resident Advisory Board:**

- Yvonne Brown
- Laurie Igwe
- Agnes Jones
- Margaret Logan
- Terry Riccardi
- Katherine Weaver

#### **Meeting Date: June 9, 2005**

#### **Comments:**

- 1.) Residents support the proposed five year action plan with regard to capital improvements in the form of bathroom and kitchen renovations (not all units) and updating of elevator system.
- 2.) Residents indicated that safety concerns were relatively minimal at both developments, though a stricter enforcement of the 9 p.m. curfew would reduce after hours gatherings and noise. They feel the installation of surveillance cameras in the previous years was instrumental in maintaining their safe environment.
- 3.) Residents emphasized that an extremely positive working relationship exists between the residents and the administration. They feel very comfortable expressing any concerns they may have with Mr. Gonzalez (Executive Director) and his staff.

## Attachment D
